

Bio On Jack Fowler

If Webb Montgomery were looking down from heaven tonight, he would flash his unforgettable smile and be pleased at this moment – not to utter “O-24”, but to endorse this moment to formally honor, Jack Fowler. Like many loyal and hard working members of Gateway to The West Club, Jack was hand selected by our own International Sertoman of The Year.

Jack’s resume includes professional businessman, proud father and husband, supporter of the University of Missouri Alumni Association, animal lover beyond reproach, and historical spokes person for The Gateway to The West Sertoma Installation Dinner.

Many senior citizens choose to be judged by the stock and bond portfolio which they boaster. Barb and Jack would rather be judged by the number and quality of their k-9 wonders.

When it is Jack’s turn to chat with Saint Peter, his words will not doubt be “Dear God, please allow me to be remembered as the kind of person, my dogs have judged me.”

Congratulations, Jack!
