LAUGHTER IS GOOD FOR THE SOUL

A woman walks into a optical store carrying a pair of broken glasses to which she had accidently sat on smashing them in the process.

Having repaired the glasses, the optometrist proceeded to give the lady some sage advice, " always remember, hindsight is always 20/20. "

I was in my back yard yesterday, trying to fly a kite. I threw the kite up into the air, the wind caught it for a few seconds only to come crashing to the ground. I tried this several times only to have the same results.

All the while, not realizing my wife had been watching from the kitchen window, muttering to herself how men need to be told how to do everything. Finally, in desperation she opens the window and yells out, " You need a piece of tail!"

I turned with a confused look on my face and replied, "Make up your mind, last night you told me to go and fly a kite?"

My friend then asks, " what does a million dollars \$,\$\$\$\$\$\$ mean to You ?"

God replies, " a penny !"

My friend asks, "will in that case, can I have a penny ?"

God replies, " in a minute ?"

Marriage is a great institution provided your ready to be institutionalized ?

I told my wife, "a good man is like a fine wine, the older it gets, the better it is !"

Whoops ! Was that a mistake !

She locked me in the cellar to age some

more ?

Q : Why is it impossible to identify a redneck corpse ?

A : They all have the same DNA
