SERVING THE ST. LOUIS AREA SINCE 1968

## NEWS FROM THE PREZ

*Greetings Fellow Sertomans:*

*At our last business meeting, I asked that the entire membership consider working on various committees in an effort to make our Club stronger and more efficient. I have had several individuals step up to the plate, unfortunately, it's the same individuals who always step up.*

*It sure would be nice to see some new faces. You don't know what you might have to offer, trouble is we don't either.*

*Some of the individuals I spoke of who always volunteer, at one time perhaps felt the same.*

*Look at them now, always energetic, ready to serve, no whether what committee it may be . Keep an open mind !*

*Forever in Service to Mankind,*
