

MEMBER'S CORNER

VIC KOEHLER

After I graduated from high school on June 6, 1945, I was drafted on June 15 (short vacation). After service I worked for Bell Telephone for 35 years.

Nancy and I met on a blind date in April 1954, 4 months later we were married, 18 months later we were blessed with our only daughter. We have 2 grown granddaughters. We will celebrate our 50th in July 2004.

Noel Chrisman introduced me to Sertoma about 17 years ago. When Sertoma got into Bingo we started at Andres on Telegraph. There was no place to store our Bingo supplies, so Jim Nangle stored it all in his garage and every bingo night, Jim and I would load up both of our cars and haul it down to the hall, carry it in and after bingo take it back to Jim's house and start all over again. We did that for a number of years, until we moved to Heart To Heart. I have enjoyed being a Sertoman all of these years, and I hope Sertoma has benefited for my years of contribution to the Club.
