DICK LOW

As a salesman's son, I attended eight secondary schools, saw Army service during WWII, followed by two colleges, and in my career much travel in New England, Chicago, St. Louis, Memphis, and Cincinnati in sales and management prior to retirement in 1988.

Gloria and I met in 1955 and were married in 1957 with a daughter and son arriving in 1970 and 1972, now resulting in three grandchildren to keep us active - - to say the least!

Jack Peterson introduced me to Sertoma, and it's been worth while ever since. I have served as President and been a part of many productive activities. It's GREAT to be a SERTOMAN!!!

GOLF BOOKS UPDATE:

In spite of a very wet spring season, the golfbooks still represent a great value for any and all golf enthusiasts. Two for our opportunities in Eastern Missouri and Southern Illinois are a bargain at \$40.00 with a commission to Sertoma of \$15.00 for each book. Call Dick Low at 636-394-5262 for more details as only a few remain!

Dick Low has done a great job with this for a number of years! Way to go Dick!!!
