

MEMBERS CORNER

I believe it's safe to say Sue is the heart of the Gateway to the West Sertoma Club. Raised in historic Kimmswick, MO, Sue brought her skills to Kirkwood, MO where she served as Director for the Mary Culver Home for blind women. After 25 years of service, Sue decided a change was in order. She is presently serving as Chief Financial / Administration Officer for Parkside Development. Sue has been very active in all phases of the Club.

At present, Sue is treasurer as well as Director of the Club's # 1 fundraiser, Bingo. Sue was recently honored for all her hard work as she was chosen the 2003-2004 'Club Sertoman of the Year'.

Anyone who knows Sue will tell you, they haven't a clue as to where her energy comes from. She's non-stop. I personally can attest that I have never experienced a person more organized in my entire life in the work environment.

I believe it is most fitting that during this time of the Valentine Season, the Club is honored to present Sue Lewis, the 'Heart' of the Club as this month's MEMBERS CORNER member !

P.S. Happy Valentine's Day 'Hons'
