

# MEMBER'S CORNER

## James J. Thomson

*Born September 09, 1932, Jim attended Christ the King grade school, went on to Saint Louis University for two years and graduated from Soldan High School. Jim served four years in the 'Air Force' for his country during the Korean War as part of a B-29 flight crew.*

*Jim and his lovely bride Jeanne will be celebrating their 48th wedding anniversary this year.*

*Jim honed and mastered his skills as a journeyman 'skilled trades' painter.*

*I'm sure many of the Club's members can attest to this as Jim has painted for them at one time or another.*

*Jim enjoys sports of all kinds and always welcomes a spirited game of gin rummy as a few of his hobbies. Jim was befriended by Webb Montgomery and recruited into the Club in 1989. Like so many of us, Jim was playing Bingo!*

*(What a surprise?)*

*Jim has served the Club in many capacities, most notably as Bingo Director for many years. Thus, it is with great pride and lasting friendship to introduce this month's featured member for the 'Members Corner', multiple Sertoman of the Year James J. Thomson (Jim T) .....*
