# NEWS NOTES FROM THE PREZ

## Greeting Fellow Sertomans:

Have you checked your calendar lately? It's once again time to reflect back on this past year's accomplishments and make sure that we are maximizing the most of the Club's assets. I for one would be remiss in not remembering all the hard work of the membership as well as that of your board of directors.

I'm sure that in the past, whenever there was change, many members were concerned. You are always going to have pros and cons. Sure, there's a lot to be said about continuity, although, there's a lot to be said about staying "status quo". I would hope as a member of this organization, we would welcome change, and never accept a "status quo" attitude.

As the end of my term as your Club president is fast approaching, I remind you that your president-elect will soon be asking members of this Club to join him as members of his board of directors staff for 2005-2006. I trust that we will continue the rich tradition which has been constant of our Club. Here's the opportunity for you to say, "I'm not satisfied with status quo"! Here's the opportunity for you to step forward and "Make a Difference"!

Forever in Service to Mankind,  
Respectfully,

Bill Reitz  
President & Chairman
